

THE UNIVERSITY *of* EDINBURGH  
Centre for Engineering Biology

Time	Item	Speaker
<b>9.30am</b>	<b>Coffee and pastries</b>	
<b>10.00am</b>	Welcome & Introduction	Meriem el Karoui (Centre Director, Chair of Bacterial Systems Biology)
<b>10.10am</b>	Underpinning area 1 – Informatics	Diego Oyarzún (Reader)
<b>10.25am</b>	Underpinning area 2 – Responsible Research & Innovation	Jane Calvert (Chair of Science and Technology Studies)
<b>10.40am</b>	Facilities	Rennos Fragkoudis (Manager, Edinburgh Genome Foundry) Tessa Moses (Metabolomics Specialist, EdinOmics)
<b>10.55am</b>	Thematic focus area 1 – Engineering Biology for Sustainability	Overview Louise Horsfall (Chair of Sustainable Biotechnology) Talk Jo Sadler (Chancellor’s Fellow)
<b>11.25 am</b>	<b>Coffee</b>	
<b>11.55am</b>	Thematic focus area 2 – Mammalian Engineering Biology	Overview Susan Rosser (Chair of Synthetic Biology) Talk Steven Pollard (Chair of Stem Cell and Cancer Biology)
<b>12.25pm</b>	Thematic focus area 3 – Plant Engineering Biology	Overview Steven Spoel (Chair of Cell Signalling and Proteostasis) Talk Alistair McCormick (Chair of Plant Engineering Biology)
<b>12.35pm</b>		
<b>12.55pm</b>	Closing remarks	Meriem el Karoui (Centre Director, Chair of Bacterial Systems Biology)
<b>1.00pm</b>	<b>Lunch</b>	
<b>2.00pm</b>	Optional facilities tours
